

**PUBLISHED WORKS OF FRANK SIMPSON:
3. ENVIRONMENTAL GEOLOGY**

- Kent, D.M., and Simpson, F., 1971. *Geological Road Log of Cypress Hills – Milk River Area, Southeastern Alberta*. Guidebook for Annual Field Trip, Saskatchewan Geological Society, June 25-26, 1971, 20 p.
- Dennison, E.G., and Simpson, F., 1973a. Hydrodynamic and economic factors in decision making under uncertainty for normative, subsurface disposal of fluid wastes, northern Williston basin, Saskatchewan, Canada (Abstract). *American Association of Petroleum Geologists, Bulletin*, vol. 57: p. 1594.
- Dennison, E.G., and Simpson, F., 1973b. Hydrodynamic and economic factors in decision making under uncertainty for normative, subsurface disposal of fluid wastes, northern Williston basin, Saskatchewan, Canada: p. 879-927, in Braunstein, J. (Editor), *Underground Waste Management and Artificial Recharge, Volume 2*, American Association of Petroleum Geologists, U.S. Geological Survey, and International Association of Hydrological Sciences, Menasha, George Banta Co., 931 p.
- Kent, D.M., and Simpson, F., 1973. Geological road log of the Cypress Hills – Milk River area, southeastern Alberta (Second Edition), p. 297-318, in Simpson, F. (Editor), 1973. *An Excursion Guide to the Geology of Saskatchewan*. *Saskatchewan Geological Society, Special Publication Number 1*, Regina, Saskatchewan Geological Society, vi + 455 p.
- Simpson, F., 1974a. Subsurface disposal of fluid wastes in Saskatchewan (Abstract). *American Association of Petroleum Geologists, Bulletin*, vol. 58, p. 911-912.
- Simpson, F., 1974b. Feasibility of deep-well injection of fluid, industrial wastes in Saskatchewan (Abstract). *Canadian Institute of Mining and Metallurgy, Bulletin*, vol. 67, no. 750, pp. 39, 41.
- Simpson, F., 1974c. Feasibility of deep-well injection of fluid, industrial wastes in Saskatchewan. *Preprints, Annual Western Meeting, Canadian Institute of Mining and Metallurgy*, Winnipeg, Manitoba, October 23-26, 1974, Paper No. 10, p. 1-16.
- Simpson, F., and Lennox, D.H., 1974. Geodetic aids to decision making in environmental management. *Geodesy for Canada Conference, National Advisory Committee for Control Surveys and Mapping*, Ottawa, Ontario, January 17-18, 1974, Record of Proceedings, Ottawa, Surveys and Mapping Branch, Energy, Mines and Resources Canada, p. E1-E30.
- Simpson, F., 1975a. Monitoring of subsurface waste-disposal operations: a generalized systems approach with examples from Canadian case histories (Abstract). *International*

Conference on Environmental Sensing and Assessment, Las Vegas, Nevada, September 14-19, 1975, Abstract Booklet, Paper 9-7, p. 30.

Simpson, F., 1975b. Possible impact of deep-well injection of fluid, industrial wastes on environmental quality in Canada (Abstract). *Primer Congreso de Química del Continente de América del Norte (First Chemical Congress of the North American Continent), Symposium on Analytical Chemistry as a Means to Environmental Quality Management*, Mexico, D.F., November 30 – December 5, 1975, Book of Abstracts, Paper ANAL 61.

Simpson, F., and Dennison, E.G., 1975. Subsurface waste-disposal potential of Saskatchewan. *Saskatchewan Department of Mineral Resources, Report No. 177*, vi + 76 p.

Simpson, F., 1976a. Monitoring of subsurface waste-disposal operations: a generalized systems approach with examples from Canadian case histories. *International Conference on Environmental Sensing and Assessment, Proceedings*, Las Vegas, Nevada, September 14-19, 1975, Vol. 1, Paper 9-7, 4 p.

Simpson, F., 1976b. Deep-well injection of fluid, industrial wastes in Canada. *Fifteenth Annual Conference, Ontario Petroleum Institute, Proceedings*, London, Ontario, October 3-5, 1976, Paper 4, 22 p.

Simpson, F., 1977a. Potential for deep, underground storage in Canada (Summary), p. 61-62, in *Summaries of Accepted Papers, First International Symposium on Storage in Excavated Rock Caverns, ROCKSTORE 77*, Stockholm, Sweden, September 5-8, 1977, 342 p.

Simpson, F., 1977b. Appendix 5A: Comments on the Brief, *Disposal of Liquid, Industrial Wastes and Brine into the Detroit River Group of Formations*, 11 p., in Ontario Ministry of the Environment, 1977. *Deep-Well Disposal of Liquid, Industrial Wastes in Ontario – A Review*. Toronto, Ontario Ministry of the Environment (Report On File).

Simpson, F., 1977c. Problems in the operation of waste-injection wells in southwestern Ontario, Canada (Abstract). *Program and Abstracts, Fourth Joint Conference on Sensing of Environmental Pollutants*, New Orleans, Louisiana, November 6-11, 1977, Paper 130.

Simpson, F., 1977d. Potential for deep, underground storage in Canada, p. 21-25, in *Preprints, First International Symposium on Storage in Excavated Rock Caverns, ROCKSTORE 77*, Stockholm, Sweden, September 5-9, 1977, Volume 1, 169 p.

Simpson, F., 1978a. Problems in the operation of waste-injection wells in southwestern Ontario, Canada, p. 479-481, in *Fourth Joint Conference on Sensing of Environmental*

- Pollutants, Proceedings*, New Orleans, Louisiana, November 6-11, 1977.
- Simpson, F., 1978b. Potential for deep, underground storage in Canada, p. 37-41, in Bergman, M. (Editor), *Storage in Excavated Rock Caverns, Proceedings, First International Symposium*, Stockholm, Sweden, September 5-8, 1977, Vol. 1, Oxford, Pergamon Press, 206 p.
- Simpson, F., 1978c. Solution-controlled collapse structures in carbonate-evaporite sequences: Their significance in planning of underground-storage strategy (Abstract), p. 64, in *Fifth International Symposium on Salt*, Hamburg, West Germany, May 29 – June 1, 1978, Abstracts, Section 1 (Geology, Tectonics, Mineralogy, Geochemistry), Paper 1-25.
- Simpson, F., 1978d. Origin and nature of wastes: Canada (Abstract), p. 4, in *Program with Abstracts, Seminar on Toxic Substances in the Subsurface Environment*, Waterloo, Ontario, November 17-18, 1978, Geological Association of Canada, Environmental Earth Sciences Division, 15 p.
- Simpson, F., 1978e. Subsurface disposal of refinery spent caustic in Imperial Virden 7-8M-10-26 well (Lsd 7-8-10-26W1) at Maples Oilfield, southwestern Manitoba (Abstract), p. 14, in *Program with Abstracts, Seminar on Toxic Substances in the Subsurface Environment*, Waterloo, Ontario, November 17-18, 1978, Geological Association of Canada, Environmental Earth Sciences Division, 15 p.
- Simpson, F., and Connolly, G.M., 1982. Underground storage potential of the bedded salt deposits of Saskatchewan: Project outline and rationale, p. 112-119, in Macdonald, R., Sibbald, T.I.I., Paterson, D.F., Gulio, P., Buller, J.V., and Davie, R.F. (Editors), *Summary of Investigations 1982, Saskatchewan Geological Survey*, Regina, Saskatchewan, vii + 158 p.
- Simpson, F., McCabe, H.R., and Barchyn, D., 1987. Subsurface disposal of wastes in Manitoba, Part 1: Current status and potential of subsurface disposal of fluid, industrial wastes in Manitoba. *Manitoba Energy and Mines, Geological Services, Geological Paper GP83-1*, vi + 47 p.
- Simpson, F., 1990a. *Introduction to Environmental Geology: Geology and the Environment Course Manual*. Windsor, University of Windsor, v + 20 p.
- Simpson, F., 1990b. *Environmental Quality Related to Earth Processes: Geology and the Environment, Unit 1 Handbook*. Windsor, University of Windsor, v + 19 p.
- Simpson, F., 1990c. *Resources: Renewable, Non-renewable and Cyclical: Geology and the Environment Unit 2 Handbook*. Windsor, University of Windsor, v + 46 p.
- Simpson, F., 1990d. *Environment-Dominant Geological Hazards: Geology and the*

- Environment Unit 3 Handbook*. Windsor, University of Windsor, v + 43 p.
- Simpson, F., 1990e. *Industry-Dominant Geological Hazards: Geology and the Environment Unit 4 Handbook*. Windsor, University of Windsor, v + 39 p.
- Simpson, F., 1990f. *Engineering the Environment: Geology and the Environment Unit 5 Handbook*. Windsor, University of Windsor, v + 23 p.
- Simpson, F., and Kirschner, B., 1997. Innovative funding and partnerships for ecosystem restoration efforts in the Great Lakes basin (Abstract). *Journal of Soil and Water Conservation*, July-August, 1997.
- Carriveau, R., Konrad, J., Davison, M., Simpson, F., and Ting, D., 2009. *A Pre-feasibility Study of CAES in Southwestern Ontario*. Report to Ontario Centres for Excellence- Centre for Energy, Toronto, Ontario, and Center for Energy Advancement through Technological Innovation (CEATI), Inc., Montréal, Québec. University of Windsor and University of Western Ontario, Windsor and London, Ontario, 40 p.
- Konrad, J., Carriveau, R., Davison, M., Simpson, F., and Ting, D., 2009. An investigation of the geological, mechanical and economic feasibility of compressed air energy storage in Ontario. *Proceedings, Ontario Petroleum Institute, Forty-Eighth Annual Conference*, Sarnia, Ontario, November 10-12, 2009, Paper 14, 15 p.
- Simpson, F., 2009. Minimizing the societal impact of global climate change: Lessons from multi-disciplinary, environmental research in diverse climatic settings (Key Messages of Presentation), p. 63, in *Achieving Excellence through Change, Program and Summaries of Papers, Canadian Institute of Public Health Inspectors (CIPHI), 2009 Ontario Branch Educational Conference*, October 4-7, 2009, London, 151 p.
- Simpson, F., 2010a. Prevention and control of gully processes in diverse climatic settings: Lessons for the age of global climate change (Abstract), p. 104, in *Program and Abstracts, Hydrology and Sedimentation for a Changing Future: Existing and Emerging Issues, Joint Fourth Federal Interagency Hydraulic Modeling Conference and Ninth Federal Interagency Sedimentation Conference*, June 27-July 1, 2010, Las Vegas, Nevada, Joint Federal Interagency Organizing Committee, xxxviii + 408 p.
- Simpson, F., 2010b. Prevention and control of gully processes in diverse climatic settings: Lessons for the age of global climate change, p. 1-12, in *Proceedings, Hydrology and Sedimentation for a Changing Future: Existing and Emerging Issues, Joint Fourth Federal Interagency Hydraulic Modeling Conference and Ninth Federal Interagency Sedimentation Conference*, June 27-July 1, 2010, Las Vegas, Nevada, Joint Federal Interagency Organizing Committee.
- Konrad, J., Carriveau, R., Davison, M., Simpson, F., and Ting, D., 2012. Geological compressed air energy storage as an enabling technology for renewable energy in

Ontario, Canada. *International Journal of Environmental Studies*, Vol. 69, Issue 2
(*Special Issue: Energy Conservation, Conversion and Storage*), p. 350-359.
