

**PUBLISHED WORKS OF FRANK SIMPSON:
4. INTERNATIONAL DEVELOPMENT**

- Simpson, F., 1988. *Stratigraphic Analysis of Subsurface Data. Seminar Series for National Oil Corporation of Kenya, Nairobi , Kenya , December 06-09, 1988 .* Calgary, Canada, Petro-Canada International Assistance Corporation, iii + 50 p.
- Simpson, F., and Thomas, R., 1993. Environmental restoration of big lakes (Abstract), p. 25, in *Program and Abstracts, The IDEAL Symposium on the Limnology, Climatology and Paleoclimatology of the East African Lakes*, Jinja, Uganda, 18-23 February, 1993.
- Simpson, F., 1994. Environment-economy integration and alleviation of poverty in developing nations (Abstract), *Program with Abstracts, Issues in Science, Sociology, and the Environment- An International Symposium, Association of Philosophical Thinkers*, University of Windsor, March 25, 1994.
- Simpson, F., 1996. River Bank Stabilization/ Ukraine: Erosion Processes, Remediation Measures, and Socio-Economic Impact (Укрплення Берегів Річок України: Процеси ерозії, коригуючі заходи та соціо-економічний вплив). *International Development Research Centre Report No. AR.70*, 14 p.
- Simpson, F., 1996. River Bank Stabilization/ Ukraine: Preliminary Phase 1- Review with Notes on River Processes at Stabilization Site (Укрплення Берегів Річок України: Попередній огляд 1-ої стадії проекту з коментарями щодо процесів змін річкового русла в зоні проектної ділянки). *International Development Research Centre Report No. AR.80*, 7 p.
- Simpson, F., and Kirschner, B., 1997. Innovative funding and partnerships for ecosystem restoration efforts in the Great Lakes basin (Abstract), in *Program and Abstracts, Interactions: Managing Ecosystems on a Watershed Basis, Fifty-Second Annual Conference, Soil and Water Conservation Society*, Toronto, Canada, July 23-26, 1997.
- Simpson, F., 1998. Multidisciplinary research for water-resource management, Maharashtra, India (Abstract), p. 3, in *Program with Abstracts, First Annual Research Forum for the School of Physical Sciences, University of Windsor*, March 27, 1998.
- Hudec, P.P, Akpokodje, E.G., Umenweke, M., and Simpson, F., 1998. Gully erosion of coastal plain sediments of Nigeria, p. 4-5, *First Annual Research Forum for the School of Physical Sciences, University of Windsor*, March 27, 1998.
- Simpson, F., and Sohani, G.G., 1998. Benefits to villagers in Maharashtra, India, from conjunctive use of water resources. *Preprints, Workshop on Participatory Management of Natural Resources in Developing Countries*, April 6-7, 1998, Mansfield College, Oxford University, U.K., 18 p.

- Simpson, F., and Sohani, G.G., 1998. Conjunctive Use of Water Resources in Deccan Trap/India, p. 76-78, in: U.N. Department of Economic and Social Affairs, *Sustainable Development Success Stories*, presented to Commission for Sustainable Development, Sixth Session, April 20 - May 1, 1998, New York, United Nations.
- Hudec, P.P., Simpson, F., Akpokodje, E.G., Umenweke, M.O., and Ondrasik, M., 1998. Gully erosion of coastal plain sediments of Nigeria, p. 1835-1841, in Moore, D., and Hungr, O. (Editors), *Proceedings, Eighth International Conference, International Association for Engineering Geology and the Environment*, Vancouver, 21-25 September 1998, Rotterdam, A.A. Balkema.
- Simpson, F., and Sohani, G.G., 1998. Multidisciplinary research for water-resource management in rural Maharashtra, India (Abstract), p. 40-41, in *Conference Abstracts, First International Conference on the Role of Science and Technology in Development*, Faculty of Science, University of Malawi, Zomba, Malawi, December 7-11, 1998.
- Sohani, G.G., Simpson, F., et al., 1998. *Conjunctive Use of Water Resources in Deccan Trap, India: Research Report*. Pune, India, BAIF Development Research Foundation, 133 p.
- Simpson, F., 2000. *Applications of Earth Sciences in Watershed Management*. Pune, India, BAIF Development Research Foundation, 14 p.
- Simpson, F., and Sohani, G.G., 2000. Conjunctive water use, Maharashtra, India, p. 330-333, in *Preprints, Water, Sanitation and Hygiene: Challenges of the Millennium, 26th WEDC Conference*, November 5-9, 2000, Dhaka, Bangladesh, viii + 388 p.
- Simpson, F., and Sohani, G.G., 2001. Benefits to villagers in Maharashtra, India, from conjunctive use of water resources, p.150-168, in Jeffery, R., and Vira, B. (Editors), *Cooperation and Conflict in Natural Resource Management: Lessons from Case Studies*. Basingstoke and New York, Palgrave Publishers Ltd., xvi + 246 p.
- Simpson, F., and Sohani, G.G., 2001. Conjunctive water use, Maharashtra, India (with Discussion), p. 42-45, 56-58, in Pickford, J. (Editor), *Water, Sanitation and Hygiene: Challenges of the Millennium. Proceedings of the 26th WEDC Conference*, November 5-9, 2000, Dhaka, Bangladesh, Loughborough, WEDC (Water, Engineering and Development Centre), Loughborough University, U.K., xxiii + 420 p.
- Hudec, P.P., Simpson, F., Akpokodje, E.G., and Umenweke†, M.O., 2001. Risk reduction planning and gully erosion in southeastern Nigeria, p. 283-289, in Villacampa, Y., Brebbia, C.A., and Uso, J-L. (Editors), *Ecosystems and Sustainable Development III. Advances in Ecological Sciences, Vol. 10, (Proceedings, ECOSUD 2001, Third Conference on Ecosystems and Sustainable Development, 6-8 June 2001, University of Alicante, Spain. Wessex Institute of Technology, U.K., and University of Alicante, Spain)*. Southampton, WIT Press, xviii + 824 p.
- Simpson, F., Hudec, P.P., Akpokodje, E.G., and Umenweke†, M.O., 2001. Strategic

- water resource management, Nigeria, p. 313-315, in *Preprints, Twenty-Seventh WEDC Conference, People and Systems for Water, Sanitation and Health*, 20-24 August, Lusaka, Zambia. Water, Engineering and Development Centre, Loughborough University, U.K., vi + 410 p.
- Simpson, F., Hudec, P.P., Akpokodje, E.G., and Umenweke†, M.O., 2001. Strategic water resource management, Nigeria, p. 402-404, 405, in Scott, R. (Editor), *Proceedings Twenty-Seventh WEDC Conference, People and Systems for Water, Sanitation and Health*, 20-24 August, Lusaka, Zambia. Water, Engineering and Development Centre, Loughborough University, U.K., xxxiv + 518 p.
- Hudec, P.P., Simpson, F., Akpokodje, E.G., and Umenweke†, M.O., 2002. Anthropogenic contribution to gully initiation and propagation, S.E. Nigeria (Abstract), *Abstracts with Programs, Humans as a Geologic Agent: Session in Honor of George Kiersch, Geological Society of America, Denver Annual Meeting*, October 27-30, 2002, Vol. 34, No. 4, Paper No. 195-8.
- Simpson, F., and Sohani, G.G., 2002. Best Practice 13, India: Conjunctive Use of Water Resources in Deccan Trap, p. 131-141, in Boven, K., and Morohashi, J. (Editors), *Best Practices Using Indigenous Knowledge*. The Hague, the Netherlands, and Paris, France, Nuffic and UNESCO/MOST, 280 p.
- Simpson, F., and Sohani, G.G., 2002. Watershed management training, Maharashtra, India, p. 429-432, in *Preprints, Sustainable Environmental Sanitation and Water Services, 28th WEDC Conference*, November 18-22, 2002, Kolkata, India. Water, Engineering and Development Centre, Loughborough University, U.K., 503 p.
- Simpson, F., and Sohani, G.G., 2003. Water for Akole Taluka, Maharashtra State, India, p. 370-382, in *Proceedings of XI International Conference on Rainwater Catchment Systems, Session 3: Socio-economical and Environmental Aspects of Rainwater Catchment Systems*, 25-29 August 2003, Texcoco City, Mexico. .
- Simpson, F., and Sohani, G.G., 2003. Prelude to participatory management and evaluation of project on conjunctive water use, p. 35-38, in Hazeltine, B., and Bull, C. (Editors), *Field Guide to Appropriate Technology*. San Diego, Academic Press, xiv + 874 p.
- Simpson, F., and Sohani, G.G., 2003. Water harvesting and spreading for conjunctive use of water resources, p. 739-743, in Hazeltine, B., and Bull, C. (Editors), *Field Guide to Appropriate Technology*. San Diego, Academic Press, xiv + 874 p.
- Simpson, F., and Sohani, G.G., 2003. Indigenous knowledge for conjunctive use of water resources in Maharashtra, India, p. 1175-1183, in Tiezzi, E., Brebbia, C.A., and Uso, J-L. (Editors), *Ecosystems and Sustainable Development IV*, Vol. 2, *Advances in Ecological Sciences*, Vol. 19 (Proceedings, ECOSUD 2003, Fourth international Conference on Ecosystems and Sustainable Development, 4-6 June 2003, University of

Siena, Italy, Wessex Institute of Technology, U.K.), Southampton, WIT Press, iii + 1302 p.

Simpson, F., and Sohani, G.G., 2003. Watershed management training, Maharashtra, India, p. 521-524, in Reed, B. (Editor), *Sustainable Environmental Sanitation and Water Services, Proceedings of 28th WEDC Conference*, November 18-22, 2002, Kolkata (Calcutta), India. Loughborough, WEDC (Water, Engineering and Development Centre), Loughborough University, U.K, liii + 527 p.

Hudec, P.P., Simpson, F., Akpokodje, E.G., and Umenweke†, M.O., 2005. Anthropogenic contribution to gully initiation and propagation, S.E. Nigeria, p. 149-158, in Ehlen, J., Haneberg, W.C., and Larson, R.A. (Editors), *Humans as Geologic Agents. Geological Society of America, Reviews in Engineering Geology, vol. XVI (In Honor of George Kiersch)*, Boulder, Colorado, Geological Society of America, 158 p.

Simpson, F., 2005. Conjunctive use of water resources in the Deccan Trap, India- Abstract, (Utilisation combinée des ressources en eau dans le Deccan, en Inde- Résumé analytique), *Papers and Abstracts, Highlighting the Impacts of North-South Research Collaboration among Canadian and Southern Higher Education Partners*, June 6-7, 2005. Ottawa, Association of Universities and Colleges of Canada and International Development Research Centre.

Simpson, F., 2005. Conjunctive use of water resources in the Deccan Trap, India. Paper 2a, in *Papers and Abstracts, Highlighting the Impacts of North-South Research Collaboration among Canadian and Southern Higher-Education Partners*, June 6-7, 2005, Ottawa, Association of Universities and Colleges of Canada and International Development Research Centre, p. 1-12.

Hudec, P.P., Simpson, F., Akpokodje, E.G., and Umenweke†, M.O., 2006. Termination of gully processes, southeastern Nigeria (Abstract), p. 269, in *Program and Abstracts, Interdisciplinary Solutions for Watershed Sustainability, Joint Eighth Federal Interagency Sedimentation Conference and Third Federal Interagency Hydraulic Modeling Conference*, April 2-6, 2006, Reno, Nevada, Joint Federal Interagency Organizing Committee, xxxii + 360 p.

Hudec, P.P., Simpson, F., Akpokodje, E.G., and Umenweke†, M.O., 2006. Termination of gully processes, southeastern Nigeria, p. 1-9, in *Proceedings, Interdisciplinary Solutions for Watershed Sustainability, Joint Eighth Federal Interagency Sedimentation Conference and Third Federal Interagency Hydraulic Modeling Conference*, April 2-6, 2006, Reno, Nevada, Joint Federal Interagency Organizing Committee.

Simpson, F., 2006. Conjunctive use of water resources in the Deccan Trap, India, p. 55-65, in *Highlighting the Impacts of North-South Research Collaboration among Canadian and Southern Higher-Education Partners (Refereed Proceedings of Colloquium, June 6-7, 2005, Ottawa, Canada)*, Ottawa, Association of Universities and Colleges of Canada and International Development Research Centre, ii + 150 p.
